CUSTOM PACKAGING

In line with our goal to offer single source packaging solutions to various industries, Just Packaging offers custom foam packaging inserts, utilizing water jet cutting and die cutting processes for precision and accuracy. Available materials include foam, laminated foam, and plastic corrugated options.

PACKAGING SUPPLIES

Just Packaging can be your one stop shop for all your packaging needs. Our direct ship program for packaging supplies will ship product directly to your door from a 200,000 square foot warehouse. Our online catalog makes the ordering of these products easy and hassle free.

SERVICES

Just Packaging's goal is to strategically partner with you on all of your packaging needs. These include assembly, inventory management, kitting, and warehousing.

Our full service design labs and four manufacturing facilities allow us to offer a level of uncompromised service to our customers.

IN-HOUSE DESIGN

Just Packaging's in-house design teams will provide you with solutions to your packaging needs. Our designers will provide the most cost effective solutions that will help ship your product from point A to point B.

PACKAGING SYSTEMS

Just Packaging can provide packaging solutions to you with our network of preferred manufacturing partners. Automated bagging systems, shrink wrap and bundling systems, stretch film and wrapping systems, label systems and applicators, void fill systems, and many other packaging solutions are part of what makes Just Packaging your complete packaging provider.

ABOUT US

Just Packaging is a company that holds customer satisfaction and the customer's needs as it's highest priority. With corporate headquarters in New Carlisle, IN and four manufacturing plants located in Indiana, Ohio, and Michigan, Just Packaging is one of the Midwest's premier packaging manufacturers and suppliers. Founded in 1999 by current owner and president Monty Warrick, Just Packaging is at the forefront of providing customers with streamlined packaging solutions.

CORRUGATED PACKAGING

We are proud to offer quality, custom corrugated packaging for customers across many industries.

Just Packaging produces labeled cartons, double and triple wall pallet boxes, regular slotted cartons, and much more.

PALLETS & WOOD PACKAGING

Just Packaging is the parent company to Grand Forest Products. Our Holland, MI plant is located in a 100,000 square foot manufacturing and recycling facility. Grand Forest Products is completely under roof and is capable of producing the following: new and used pallets, wooden shipping boxes and crates, wood dunnage, and specialty wooden shipping platforms.
