

It has been an incredible 23 years since we opened our doors at Spectrum Net Designs, Inc. Throughout the years, the Lord has continued to bless us with many great clients, relationships, increased growth opportunities, an excellent staff, and a positive company environment. In this season of gratitude and thanks, we continue to reflect on the past years and all that the Lord has blessed us with.

It is important that we take time out of our busy schedules to give thanks for our clients and acknowledge how grateful we are for each one of you. We have had numerous opportunities that you have given to us over the last year to serve you and supply your needs. We hope the best for you and your families for this upcoming holiday season.

With love and gratitude,
The Spectrum Net Designs Team

"And on that day you will say, "Give thanks to the LORD, call on His name. Make known His deeds among the peoples; make them remember that His name is exalted." Praise the LORD in song, for He has done glorious things; let this be known throughout the earth." **Isaiah 12:4-5**
